GEO. D. MITCHELL, — EDITOR.

CHICAGO meat-eaters are right up against the ragged edge of "a groundhog case."

That dreaded disease, scarlet fever, is in our midst and parents can not be too careful with their children.

By all means, the iron fence around the Court House yard, should be removed when the new court of justice is built. It will add to the appearance of the new building.

The price of breakfast bacon in these days of extortionate trusts is enough to "jar" most any one. Only 20 cents a pound! These are gloriously good times for the Republican fostered combines. — Maysville Bulletin.

The city of Paris extends a welcome this morning to the delegates to the Confederation of Clubs. The city is yours. Eat, drink and be merry, for in a few days you will go away, and in going, we want you to take a kind remembrance with you of our town and our people.

COL. E. H. Taylor, Jr., of Frankfort, is announced as a candidate for the Democratic nomination for Governor, and he will make a great change in the fight. Col. Taylor is one of the best known citizens of the Commonwealth, and is popular wherever known. He is a fine organizer, a man of wonderful energy, and would make an up-to-date Governor.

The Democratic party is coming to its senses once more. This is indicated day by day by the talk of its leaders, the writings of its statesmen and the publications within its press. The party has tired of wandering after strange gods and returning to the ideas of its patriarchal fathers. Its way grows brighter as its mind clears up and when it again comes to its own in November—which it will surely do—the people within and without the fold will have great cause for rejoicing. So may this be. — Paducah News.

Life takes great pleasure in presenting below to its readers a careful selected list of the most prominent and deserving charitable and benevolent and eleemosynary institutions of the United States. Their work is so well known that any word of appreciation or eulogy is superfluous. Let us all heartily turn in, then, and cheerfully, as cheerfully as we can, contribute our mites to further their intelligent efforts and promote their prosperity. Remember that every little helps, and the Lord loveth a cheerful giver.
